1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Donald W. Muirhead on 3/14/05.

The application has been amended as follows:

Claim 24, after "...formed on an upper side of said silicon non-included organic film;" please add "wherein said second silicon included organic film is larger in thickness than said first silicon included organic film;"

Please cancel claim 33.

Claim 34, second line, please delete "first silicon"

2. The following is an examiner's statement of reasons for allowance: applied prior art, Farrar, doesn't describe or suggest second silicon included organic film, or the hardmask, is larger in thickness than said first silicon included organic film, or the etching stopper film.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
